

## We make your special need- our standard.

As developers of fiberglass armature banding tape and the early producers of mica paper laminates, PEI has been serving the unique needs of the electrical insulation industry for **over 60 years**.

Beyond our manufacturing and converting capabilities of Mica and Fiberglass products to OEM specification, we offer **over 50 product lines** from quality manufacturers to match any job, of any size or complexity.

For any new or rebuilt electrical apparatus, let **PEI** be your **single source**. Visit us at [www.peipittsburgh.com](http://www.peipittsburgh.com).
