

We make your special need--our standard.

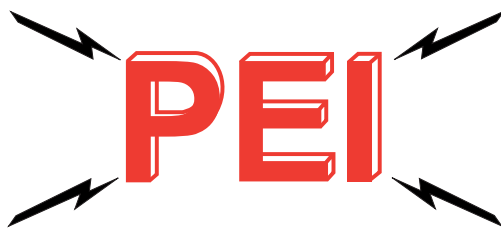

As developers of fiberglass armature banding tape and the early producers of mica paper laminates, **PEI** has been serving the unique needs of the electrical insulation motor repair and rebuild industry for **over 60 years**.

Our goal is to ensure that all your electrical apparatus repair and rebuild needs are met with any of our custom or standard solutions--as your special needs are standard to us.

To maintain peak operating of your equipment, we also offer **over 50 product lines** from quality manufacturers to match any job, of any size or complexity.

To learn how **PEI** can be your "Single Source" for all repair and rebuild needs, visit us at www.peipittsburgh.com.
