

SPECIALISTS IN ELECTRICAL INSULATION

SPEC > QUOTE > SHIP FAST

PEI specs, quotes and ships your order with speed and accuracy. Why? With more than 60 years' experience, we understand and get to the heart of your needs ASAP.

With offering a wide range of world-class electrical insulation materials, offshore sourcing and our own brand of PEI manufactured products we can customize a range of solutions to your specific application.

From Banding and Mica Tape to Surge Rope and Polyimide Film, we have all the products you need for your next repair job or OEM requirements.

For your next order, call the **INSULATION TEAM** at PEI and expect the service and knowledge you deserve.

We will SPEC, QUOTE and SHIP faster than any other supplier.

To talk with an Insulation Specialist, call 412-462-6300 or e-mail info@peipittsburgh.com
